The screenshot shows a web browser window with multiple tabs. The active tab is titled "Insert ti" and the address bar shows "localhost:8080/JBLQuintoProjeto/index.jsp". The browser's toolbar includes various icons for navigation and search. Below the browser window, the text "Testando pagina JSP utilizando JSTL" is visible. The main content of the page displays three lines of text, each showing the current date and time in a different format. The first line shows the date in full with the time zone (BRT). The second line shows the date in YYYY-MM-DD format. The third line shows the date in YYYY-MM-DD format with the time zone (BRT). The text "variavel formatar = true" is displayed below the second line. The Windows taskbar is visible at the bottom of the screen, showing the Start button and several application icons. The system clock in the bottom right corner indicates the time is 19:14 on 18/01/2022.
